

When Ya Get Drafted

Dead Kennedys

Are you believing the morning papers?
War is coming back in style
There's generals here, advisers there
And the Russians nibbling everywhere
The chessboard's filling up with red
We make more profits when we blow off their heads
Economy is looking bad
Let's start another war
(When ya get drafted)
Fan the fires of racist hatred
We want total war
(When ya get drafted)
Drooling fingers, panic buttons
Playing with missiles like they're toys
There's easy money, easy jobs
Especially when you build the bombs that blow big cities off the map
Just guess who profits when we build 'em back up
Yeah, what Big Business wants Big Business gets
It wants a war
(When ya get drafted)
Trilateral Commission goonies laugh and scheme for more
(When ya get drafted)
Call the Army, call the Navy, stocked with kids from slums
(When ya get drafted)
If you can't afford a slick attorney we might make you a spy
Forget your demonstrations
Kids today sit on their ass
(When ya get drafted)
Just a six-pack and you're happy
We're prepared for when ya get drafted
When ya get drafted
