

# Hideaway

## The Corrs

It's time to change, throw out the books  
And start again  
Break all the rules, fall on your face  
Don't be ashamed You can't waste more time 'cause you've been  
Gone for far too long  
Trapped in his arms, safe without harm  
Follow your heart don't be afraid You think that you're okay  
But I don't believe in what you say  
You think that it's too late  
But it's not good, good enough for you Don't hideaway  
'Cause I know that you've got what it takes  
I believe  
You can be what you wanna be Let yourself, go  
Don't worry about a thing  
Breakin' the chains, so hard to begin  
Follow your heart, don't be afraid You think that you're okay  
But it's not good, good enough for you Don't hideaway  
'Cause I know that you've got what it takes  
I believe  
You can be what you wanna be Don't hideaway  
'Cause I know that you've got what it takes  
I believe  
You can be what you wanna be Don't hideaway  
'Cause I know that you've got what it takes  
I believe, you can be what you wanna be  
You can be what you wanna be
