

Wretched Flesh Consumption

Dying Fetus

Flesh Consumption!!! Tearing Apart, Creating My Art, Molding The Parts From This Lifeless Lump, Stretchign
The Face, That's Where I Start, (Twisting And Turning I Slowly Devour Your Corpse), Mourning The Loss,
I'm Distraught, Perpetual Fear In Your Severed Heart, To Erase It I Must Pull It Out, (And While I'm
Swallowing I'm Cutting Away At Their Heads), Keep Your Alive While I Survive, By Sucking The Innards
Sublime, A Foray Into Maliciousness, (Sending Your Body Into The Gore Nebula), Gore!!!!...It Ends The
Conscience Of My Destined Hell, Gore!!!!...Wounds Terminate Wretched Hell
