

Company (Live Version)

America

Some can see its poetry
Come as you are in your broken car
The companyCarousel is wishing well
As a wonder night that spoke delight
To the companyCan you hear the summer calling you?
Can you hear him call you now?
Can you hear the summer calling you?
Can you hear him call you now?Broken dream, just a token scheme
Silver man with a telegram
For the companyScalding blue, come talk to you
Search the cave for the grave
Of the companyCan you hear the summer calling you?
Can you hear him call you now?
Can you hear the summer calling you?
Can you hear him call you now?Can you hear the summer calling you?
Can you hear him call you now?
Can you hear the summer calling you?
Can you hear him call you now?Can you hear the summer calling you?
Can you hear him call you now?
Can you hear the summer calling you?
Can you hear him call you now?
