Alison Crockett : Crossroads

Where do we go from here?, where do we go?, you wanna go deeper, I wanna take it slow, Iâ€™m into my career,  
you wanna settle downâ€™I will, i will but not nowâ€™

Weâ€™re at a crossroads, weâ€™re at a crossroads baby, baby baby crossroads, weâ€™re at a crossroads, weâ€™re  
crossroads baby, baby baby crossroads,  
where do we go from here?

You like it quiet but I like the city life, this ainâ€™t that simple but I think the metaphor is right, we have two  
different minds but weâ€™re still in love, we need a solution but what?

Weâ€™re at a crossroads, weâ€™re at a crossroads baby, baby baby crossroads, weâ€™re at a crossroads, weâ€™re  
crossroads baby, baby baby crossroads,  
where do we go from here?

I wanna see the world but I can I do it with you, baby thereâ€™s so much I wanna see you do, you say you wanna  
take me home so I can be your wife, can we be together for a whileâ€™

Weâ€™re at a crossroads, weâ€™re at a crossroads baby, baby baby crossroads, weâ€™re at a crossroads, weâ€™re  
crossroads baby, baby baby crossroads,  
where do we go from here?
