

alcohaulin ass

Hellyeah

Come on, a little bit of sunshine
A little bit of booze
A little bit of me
And a little bit of youA little bit country
A little bit of bluesA little slice of heaven
And a little piece of you, come onAlcohaulin' ass
Pour another drink in my glass
Alcohaulin' ass
Alcohaulin' assA little bit thirsty
A little bit used
A little bit of whiskey
And a little pinch to chewA little bit tired
And a bad attitude
A little bit of drinkin'
And another piece of youAlcohaulin' ass
Pour another drink in my glass
Alcohaulin' ass
Alcohaulin'You drove me to it, so there was nothing I could do
You pushed me down, split me right in two
Now I found the long hard road carried the weight of you
Boy, oh, boy, God damn, there's only one thing left to doA little bit of alcohaulin' ass
Pour another drink in my glass
Alcohaulin' ass, there's only one thing left to doA little bit of alcohaulin' ass
Pour another drink in my glass
Alcohaulin' ass
Alcohaulin' ass
