

# Sino

## Palmistry

Sino, my roll  
Double up, triple up when I see ya  
Forget me, amnesia  
No windows I swear I don't need yaBubblin', 4 bottles in  
We doubling Secco or Gin  
Forget me, couldn't care less  
Unholy, white sin reckless  
Most of my friends, suicidalGot b-o-l-o-l-o, oh, oh, oh, oh, oh, oh  
And it's high, so high, do you feel this rain?  
My oh my, every time near heaven  
Lost it all, at the Sino  
Emotions got me acting like I need ya  
But I care less, couldn't care less  
Double up, triple up, when I see yaBubblin, 6 bottles in  
Sippin Contrieu mixed with the white sin  
All my tears are, all frozen  
Put 'em on the card, I swear I don't know themB-o-l-o, oh, oh, oh, oh, oh, oh, oh  
High so high, can you feel the strain?  
Why oh why, so near to heaven  
High so high, can you feel the rain?  
Why oh why, every time near heaven  
B-o-l-o, oh, oh, oh, oh, oh, oh, oh, oh  
B-o-l-o-l-o, oh, oh, oh, oh, oh, oh, oh  
All my tears are, all frozen  
Put 'em on the card I swear I don't know them  
B-o-l-o, oh, oh, oh, oh, oh, oh, oh  
Sino, my roll  
Ammy-Ammy-Ammy-ammmy-ammmy, amnesia
