

# Anchor Drops

[umphrey`s mcgee](#)

Listen, was that you  
Always on?  
If and when that's true  
Waiting stops  
Within moments new  
Anchor drops Breathe easy  
The less you have to offer  
The less you stand to lose Think slowly  
The more you have invested  
The more you care to claim Dream focused  
As often as you've wandered  
You carried too much weight
