

# Dry River

## Dave Alvin & The Guilty Men

I was born by a river, but it was paved with cement  
Yeah I was born by a river, but it was paved with cement  
Still I stand out in that old dry river, and wish that I was soaking wetSomeday it's gonna rain, someday it's gonna pour  
Someday this old dry river, it well, won't be dry anymoreI played in the orange groves, 'til they bulldozed the trees  
I played in the orange groves, 'til they bulldozed down all the trees  
Now I stand out in those dead stumps, and I smell the blossoms on the leavesSomeday it's gonna rain, someday it's gonna pour  
Someday those old dead trees, won't be dead anymoreI fell in love with a woman, but she did not love me  
Well, I fell in love with you baby, but you did not love me  
Now I'm as dry as that old river, and I'm as dead as those old treesSomeday it's gonna rain, someday it's gonna pour  
Someday this old heart of mine's gonna fall in love once more  
Someday it's gonna rain, someday it's gonna pour  
Someday this old dry river, it won't be dry anymore
