

Calling All Cars (Acoustic)

Senses Fail

Calling all cars we've got another victim
'Cause my love has become an affliction
What did you expect from me?
What did you expect from me? I'm sorry but think I got to mention
That I lied at my very first confession
What did you expect from me?
What did you expect from me? 'Cause this has been building since I have been breathing
And I know how it's going to end So will you scatter my ashes where they won't be found?
I kept my word when I swore that I would let you down
And now that I'm gone, try to forget me and just move on So will you scatter my ashes where they won't be found?
I kept my word and you hate me for it now
But you knew all along, try to forget me and just move on Oh, my dear what have I gone and done now?
It's curtain call, I'm about to take my last bow
What did you expect from me?
What did you expect from me? Without giving away the entire ending
I ruined the evening again So will you scatter my ashes where they won't be found?
I kept my word when I swore that I would let you down
And now that I'm gone, try to forget me and just move on So will you scatter my ashes where they won't be found?
I kept my word and you hate me for it now
But you knew all along, try to forget me and just move on I don't have love left inside, inside
And I don't have love left inside, inside Are you desperate for an answer?
I don't have an ounce of good left in me now
That's why I walked out So will you scatter my ashes where they won't be found?
I kept my word when I swore that I would let you down
And now that I'm gone, try to forget me and just move on So will you scatter my ashes where they won't be found?
I kept my word and you hate me for it now
You hate me for it now, try to forget me and just move on I am not the one that you should blame
So take what I left you for the pain
I am not the one that you should blame
So take what I left you for the pain
And do your best to forget my name
