

New Romantics

Taylor Swift

Weâ€™re all bored, weâ€™re all so tired of everything
We wait for trains that just arenâ€™t coming
We show off our different scarlet letters
Trust me, mine is better

Weâ€™re so young, but weâ€™re on the road to ruin
We play dumb, but we know exactly what weâ€™re doing
We cry tears of mascara in the bathroom
Honey life is just a class room

'Cause baby, I could build a castle
Out of all the bricks they threw at me
And everyday is like a battle
But every night with us is like a dream

Baby weâ€™re the new romantics
Come, come along with me
Heartbreak is the national anthem
We sing it proudly
Weâ€™re too busy dancing to get knocked off our feet
Baby weâ€™re the new romantics
The best people in life are free

Weâ€™re all here the lights and noise are blinding
We hang back itâ€™s all in the timing
Itâ€™s poker, you canâ€™t see it in my face
But Iâ€™m about to play my ace
We need love but all we want is danger
We team up and switch sides like a record changer
The rumors are terrible and cruel
But honey most of them are true

'Cause baby, I could build a castle
Out of all the bricks they threw at me
And everyday is like a battle
But every night with us is like a dream

Baby weâ€™re the new romantics
Come, come along with me
Heartbreak is the national anthem

We sing it proudly
We're too busy dancing to get knocked off our feet
Baby we're the new romantics
The best people in life are free

So come, come along with me
The best people in life are free

Please take my hand and
Please take me dancing and
Please leave me stranded
It's so romantic, it's so romantic

'Cause baby, I could build a castle
Out of all the bricks they threw at me
And everyday is like a battle
But every night with us is like a dream

'Cause baby, I could build a castle
Out of all the bricks they threw at me
And everyday is like a battle
But every night with us is like a dream

Baby we're the new romantics
Come, come along with me
Heartbreak is the national anthem
We sing it proudly
We're too busy dancing to get knocked off our feet
Baby we're the new romantics
The best people in life are free
