

# Sea of Tranquility

## Galactic Cowboys

Passing through Shanghai, looking down, on my way to Bombay, looking down  
I was in search for something, looking down, a little out of the ordinary, looking down  
There is a place in space  
beyond our sense of time, there is a time beyond space!  
Sea of Tranquility! A patchwork quilt of sea and land, leave the ground  
The magic of the creator's hand, looking down  
A kaleidoscope view that changes in flight, speed of sound  
A cosmic array of artistic delight, speed of light  
There is a place in space beyond our sense of time, there is a  
time beyond space!  
Sea of Tranquility!
