

Hitchhiker

Demi Lovato

[Verse 1]

Ooh, yeah

I can't explain what's going on
Something happened when you came along, oh

It's driving me crazy, crazy

You're taking me to new places

And I pretend I'm not anxious, but oh

You're driving me crazy, crazy[Pre-Chorus]

I was walking down this broken road

I was stranded, I was all alone

Always played it safe when it came to love

Until you came and picked me up

[Chorus]

I've been waitin' all night, lookin' for your headlights

I know that we're strangers, but I'll leave it all for you

Go anywhere you wanna go

I don't really need to know, if my heart is in danger

'Cause as long as you're the driver

I'm your hitchhiker, yeah

I'm your hitchhiker, yeah, yeah mmm...[Verse 2]

Don't even know where we're going

You make me live in the moment, oh, oh

Keep driving us, baby[Pre-Chorus]

I was walking down this broken road

I was stranded, I was all alone

Always played it safe when it came to love

Until you came and picked me up

[Chorus]

I've been waitin' all night, lookin' for your headlights

I know that we're strangers, but I'll leave it all for you (yes I will)

Go anywhere you wanna go

I don't really need to know, if my heart is in danger

'Cause as long as you're the driver

I'm your hitchhiker, yeah[Bridge]

Take me where you wanna go (baby)

As long as you're the driver, I'm your hitchhiker[Chorus]

I've been waitin' all night, lookin' for your headlights (I've been waitin')

I know that we're strangers, but I'll leave it all for you (but I'll leave behind it all for you)

Go anywhere you wanna go

I don't really need to know, if my heart is in danger (danger)
'Cause as long as you're the driver
I'm your hitchhiker, yeah
I'm your hitchhiker, yeah, yeah
