

Shine On

Y&T

It's been a while
Still she's got that style
Tonight she's gonna make the scene
It's been years
Since she's done anything
But daycare, kids, and family
Well, now, she smiles in the mirror
Checks out her ass in those
True Religion jeans
Shine on, shine on
Shine on for me
You gotta shine on
Ain't nothing wrong with ya
Shine on for me
She's lookin' hot
Ready to rock
It's all about the attitude
Got her boobs pushed up tight
Oh, she's lookin' just right
Got that bad ass heart-breaker tattoo
Tonight she'll be rockin'
Makes me feel so good
Just to watch her move
Shine on, shine on
Shine on for me
You gotta shine on
You're lookin' good, baby
Shine on for me
