J'Adore (Stiven Metaj Bootleg Remix)

Inna

And if you really love me
I'll never leave you lonely
Boy you could be my only
Cause you got the key
Tonight until forever
As long as we're together
We'll make it through whatever
You got the key to my heart
Let me up, take me higher
Breathe me in my desire
No regrets, don't deny it
Play to win, play to win
I know what they say,
And none of them know
You make me feel say
J'adore, j'adore
I know what they say,
And none of them know
And if you really love me
I'll never leave you lonely
Boy you could be my only
Cause you got the key
Tonight until forever
As long as were together
Well make it through whatever
You got the key to my heart
You got the key to my heart
To my heart, to my, to my, to my heart
You got the key to my
To my heart, to my heart
You got the key to my heart
Tell the world I belong here
Next to you I am stronger
Take my hand, pull me closer
Understand, you got the, you got the
I know what they say,
And none of them know
You make me feel say
J adore, j adore

I know what they say,
And none of them know
And if you really love me
Ill never leave you lonely
Boy you could be my only
Cause you got the key
Tonight until forever
As long as were together
Well make it through whatever
You got the key to my heart
To my heart, to my, to my, to my heart
To my heart, to my heart
You got the key to my heart
To my heart, to my, to my, to my heart
You got the key to my
To my heart, to my heart
You got the key to my heart
And Ill never let you go
Cause you take my breath away
And I cant control this love
You're like a part of me
To my heart, to my, to my, to my heart
To my heart, to my heart
You got the key to my heart
To my heart, to my, to my, to my heart
You got the key to my
To my heart, to my heart
And if your really love me
Ill never leave you lonely
Boy you could be my only
Cause you got the key
Tonight until forever
As long as were togheter
Well make it through whatever
You got the key to my heart
