System Of A Down

Elimination, elimination, elimination
Die, why? Walk down, walk down
A whole race genocide
Taken away all of our pride
A whole race genocide
Taken away, watch them all fall down
Revolution, the only solution
The armed response of an entire nation
Revolution, the only solution
We've taken all the shit, now it's time for restitution
Recognition, restoration, reparation
Recognition, restoration, reparation
Watch them all fall down
Revolution, the only solution
The armed response of an entire nation
Revolution, the only solution
We've taken all the shit, now it's time for restitution
The plan was mastered and called Genocide
(Never want to see you around)
Took all the children and we died
(Never want to see you around)
The few that remained were never found
(Never want to see you around)
All in a system, down
Down, down, down
Walk down
(Walk down)
(Watch them all fall down)
Revolution, the only solution
The armed response of an entire nation
Revolution, the only solution
We've taken all your shit, now it's time for restitution
The plan was mastered and called Genocide
(Never want to see you around)
Took all the children and we died
(Never want to see you around)
The few that remained were never found
(Never want to see you around)
All in a System of Down
