Had Enough

Breaking Benjamin

Milk it for all it's worth, make sure you get there first

The apple of your eye, the rotten core inside

We all are prisoners, things couldn't get much worse

I've had it up to here, you know your end is nearYou had to have it all, well, have you had enough?

You greedy little bastard, you will get what you deserve

When all is said and done, I will be the one

To leave you in your misery and hate what you've becomeIntoxicated eyes, no longer live that life

You should have learned by now, I'll burn this whole world down

I need some peace of mind, no fear of what's behind

You think you've won this fight, you've only lost your mindYou had to have it all, well, have you had enough?

You greedy little bastard, you will get what you deserve

When all is said and done, I will be the one

To leave you in your misery and hate what you've become Hold me down

(I will live again)

Hold me down

(I will break it in)

Hold me down

(No matter in the end)

Hold me downYou had to have it all, well, have you had enough?

You greedy little bastard, you will get what you deserve

When all is said and done, I will be the one

To leave you in your misery and hate what you've become Heaven help you

Heaven help you
