Sonic Reducer

Rocket From The Tombs

I don't need anyone
Don't need no mom and dad
Don't need no pretty face
Don't need no human race
I got some news for you
Don't even need you too

I got my devil machine
Got my electronic dream
Sonic reducer
Ain't no loser
I'm a sonic reducer
Ain't no loser

People out on the streets
They don't know who I am
I watch them from my room
They all just pass me by
But I'm not just anyone
Said I'm not just anyone

I got my devil machine
Got my electronic dream
Sonic reducer
Ain't no loser
I'm a sonic reducer
Ain't no loser

I'll be a pharaoh soon
Rule from some golden tomb
Things will be different then
The sun will rise from here
Then I'll be ten feet tall
And you'll be nothing at all

I've got my devil machine
Got my 'lectronic dream
Sonic reducer ain't no loser
(sonic reducer, sonic reducer)
