Miss Murder (Guitar Hero 3 OST)

AFI

Hey Miss Murder, can I
Hey Miss Murder, can I
Make beauty stay if I take my life?With just a look they shook
And heavens bowed before him
Simply a look can break your heartThe stars that pierce the sky
He left them all behind
We're left to wonder why
He left us all behindHey Miss Murder, can I
Hey Miss Murder, can I
May beauty stay if I take my life?Dreams of his crash won't pass
Oh, how they all adored him
Beauty will last when spiraled downThe stars that mystified
He left them all behind
And how his children cried
He left us all behindHey Miss Murder, can I
Hey Miss Murder, can I
May beauty stay if I take my life?What's the hook, the twist
Within this verbose mystery?
I would gladly bet my life upon it
That the ghost you love, your ray of light
Will fizzle out without hopeWe're the empty set just floating through, wrapped in skin
Ever searching for what we were promised
Reaching for that golden ring we'd never let go
Who would ever let us put our filthy hands upon it?Hey Miss Murder, can I
Hey Miss Murder, can I
May beauty stay if I take my life?Hey Miss Murder, can I
Hey Miss Murder, can I
May beauty stay if I take my life?
