

Call (The Flexican & Funkin Matt Remix)

Francesco Yates

We're alone, we're alone, we're alone... once again
And it's better than being alone here all by myself

I could see it coming from a long way ahead
I don't ever want to be lonely with no one else

But you... ooohh

You never told me

Yeah you... ooohh

You never told me

If there was more than this

I'm there when you call

I'm there when you call on me

i'm there when you call

i'm there when you call on me

i'm there when you call

i'm there when you call on me

i'm there when you call

i'm there when you call on me...ohhh..oohh

Well it's cold, it's cold, it's cold here next to you

And you're close enough to hold me, but not to tell the truth, babe

I should'a seen this coming from a long way ahead

Ooh, there's an opening inside you, but you won't let me in

But you...

You never told me.. no

Yeah you...

You never told me

If there was more than this

I'm there when you call

I'm there when you call on me

I'm there when you call

i'm there when you call on me

i'm there when you call

i'm there when you call on me

i'm there when you call

i'm there when you call on me

i'm there when you call me baby..mmmm..mmmm

You never call me~.... (i'm there when you call, i'm there when you call on me) (i'm there when you call) call me baby (i'm there when you call on me) (i'm there when you call) call me~ (i'm there when you call on me) call me~ (i'm there when you call) ooohhh... ooohhh.. (i'm there when you call on me) nahh.. nahh.. nahh and there was more than this (i'm there when you call) ooohhhoohh yeah (i'm there when you call on me) ahhhhh...
