

# Love Me Forever (Chopped & Screwed)

## Young Thug

I want you to love me forever She let me ride it like a caravan baby  
I swear I need you to come lay right there with me  
She say she down and she gon lay and care for me  
I don't know why she like the air that I'm breathing in  
Baby, breathe in with me  
You make me go brazy, I know you won't judge me  
You might turn to wifey, give you wife things and babies I want you to love me forever  
Baby you know that I came here for your destiny  
She wanna drop it if she can, if she can baby  
She wanna rock it with her hand, yeah a marriage She wanna hit me like a bear  
I told her drop that shit right here  
I cut that pussy, barber chair  
Then I'm goin \*psh\* off in the air  
Shine it up then bounce it, climbing in it just like a mountain  
My bankroll big like a bouncer, spitting game like a counselor  
Big old cross like a pastor, pop that pussy like a Snapple  
Bitch I'm bleeding, where the napkins, body red like an apple  
Screaming free my brothers, I still sleep with my money  
Last week I made a quarter, plus I still respect others  
I can't believe it's not butter, that little bitch might be my supper  
I get respect from her brother, crenshaw boolin, Nipsey Hussle  
Still prepared for them arrest, YSL we goin wrestle  
Chanel pouch on my left, fuck the cops we don't play  
Benjamins, Grants talk back, I be like "who is that?"  
They be like "where you at?", meet at the Valet at Sax I want you to love me forever  
I want you to love me forever  
Until we meet each other, oh  
I want you to love me forever  
Love me forever  
I want you to love me forever  
She love my life and she don't care  
I flood my bitch and I don't care what they say about it  
You just a diamond in the mine and you dirty  
I like my bitches brown like James, no Worthy  
Scratched out the alphabet, 'cept B bitch  
Whoa, she standing naked bookin' bicky  
Whoa, I need them thick thighs on my chicken  
You know, just got dropped off by Scotty Pippen  
Whoa, and I just wanna be loved
