

# I'm Into You

Jennifer Lopez

[Jennifer]Na na nananana nana na-eh (4x)  
[Lil Wayne]Ahem, Hi, I'm Tune, the man on the moon  
I live on the beach, get the sand out ya shoes  
And all of that changed since I met you  
So we can leave that old shit in the restroom  
Ok, now I'm into you, like you never knew  
I'm falling for you baby, I need a parachute  
So wet, I need a wetsuit  
You're way too fly, I could be ya jet fuel  
Now tell me what you like  
I like what you tell me  
And if you understand me, than you can overwhelm me  
It's too late, it's too late  
Every finish line is the beginning of a new race

Young Money!...  
[Jennifer]You've got me and I could not defend it  
I tried but I had to surrender  
Your style got me under the spell  
Left me no other choice but to get down  
It's too late (it's too late), it's too late (it's too late)  
It's too late, it's too late  
You've got it (you've got it), you've got it (you've got it)  
You've got it (you've got it), you've got it  
When I look into your eyes, it's over  
You've got me hooked with your love controller  
I'm trippin' and I could not get over  
I feel lucky like a four leaf clover  
Cuz I'm into you, I'm into you  
I'm into you, yeaah  
I'm into you, I'm into you  
I'm into you, yeaah  
Nana nananana nana-na-eh (4x)  
Listen, now I'm strong baby I bring the fire on  
Sharp shooter, you can call me the zion  
I'm not the one easy to get to

But all that changed, baby when I met you  
It's too late (it's too late), it's too late (it's too late)

It's too late (it's too late), it's too late  
You've got it (you've got it), you've got it (you've got it)  
You've got it (you've got it), you've got it  
When I look into your eyes, it's over  
You've got me hooked with your love controller  
I'm trippin' and I could not get over  
I feel lucky like a four leaf clover  
Cuz I'm into you, I'm into you  
I'm into you, yeaaah  
I'm into you, I'm into you  
I'm into you, yeaaah  
Nana nananana nana-na-eh (4x)  
I'm not burning and I'm feeling you boy  
Get it on if you feeling my world now  
I love the way that you moving  
And I'm listening to how you grooving  
So if you need me, just call on the cruise  
We can be whatever that you want in the news  
Boy, cause I'm on it, you on it, we on it  
So baby just tell me now  
[Jennifer]When I look into your eyes, it's over  
You've got me hooked with your love controller  
I'm trippin' and I could not get over  
I feel lucky like a four leaf clover  
Cuz I'm into you, I'm into you  
I'm into you, yeaaah  
I'm into you, I'm into you  
I'm into you, yeaaah  
Nana nananana nana-na-eh (4x)  
Cuz I'm into you, I'm into you  
I'm into you, yeaaah baby  
I'm into you, I'm into you  
I'm into you, yeaaah
