

Oh Goodbye

The Colourist

We've had our stories and separations
We let the good grow strong
We let the good grow strong We've had our bad times
All in the past times
We let the good grow strong
We let the good grow strong Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, it's nice to know ya, oh goodbye You were an addiction, it's sad to say it's true
We have to say 'so long'
We have to say 'so long' There comes time when
We're just not happy
We have to say 'so long'
We have to say 'so long' Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, it's nice to know ya, oh goodbye Oh goodbye, oh goodbye, oh goodbye, it's nice to
know ya
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
