

Sacrifice (Live At Gelredome)

Anouk

Who's the one that makes you happy
Who's the one that always makes you laugh
Who's the reason you're smiling
And dragged you through these time, so rough I was the one that made you happy
I was the one that eased the pain
But I'm the reason that you're crying now
My own tears scattered by the rain You can sacrifice me
You can sacrifice me
You can set me free
You can be who you want to be Deeper than deep you took me on a trip baby
You shared your wildest dreams and more
You dare me to express my feelings to you
I never felt that need before But suddenly you needed freedom
You felt the need to break free
You started drowning in your sorrow
You didn't want to know I had the key You can sacrifice me
You can sacrifice me
You can set me free
You can be who you want to be You can sacrifice me, sacrifice me
You can be who you want to
You can be who you want to be
