Product Placement (Disinformation Mix)

Pitchshifter

Coast to coast, your evil filthy lies
Boast the most, full malnutrition guide
Comfort, it's taste, convenient to follow
Bite size lies are much easier to swallow
Hype the waste, flavoured insecticide
Like the taste, but don't question what's inside
Comfort, it's taste, convenient to follow
Bite size lies are much easier to swallow
Coast to coast (to coast), your evil filthy lies
Boast the most (the most), full malnutrition guide
Comfort, it's taste, convenient to follow
Bite size lies are much easier to swallow
