I Don't Want To Know

[Goo Goo Dolls](#)

I don't want to know the reasons why love keeps
Right on walking on down the line
I don't understand you and me
Baby, I, I just want you to be mineFinally baby
The truth has come down now
And now ya listen to your spirit
It's crying out loud nowTryin' to believe, yeah
You say you love me but you don't know
You got me rocking and a-reeling
OhI don't want to know the reasons why love keeps
Right on walking on down the line
I don't understand you and me
Baby, I, I just want you to be mine
Want you to be mineFinally baby
The truth has been told
And now you tell me that I'm crazy
Now it's nothing that I didn't knowTryin' to survive now
You say you love me but you don't know
You got me rocking and a-reeling
OhI don't want to know the reasons why love keeps
Right on walking on down the line
I don't understand you and me
Baby, I, I just want you to be mine
Make you to be mineTryin' to believe in
You say you love me but you don't know
You got me rocking and a-reeling
OhI don't want to know the reason why love keeps
Right on walking on down the line
I don't understand you and me
Baby, I, I just want you to be mine
Make you to be mineGonna make you to be mine
Gonna make you to be mine
Wanna make you to be mine
Oh, won't you be mine, mine, mine?
Won't you be mine?
Won't you make up your mind?
