

# Never Forget You (Pascal Voe Remix)

[Zara Larsson & MNEK](#)

I used to be so happy  
But without you here I feel so low  
I watched you as you left but I can never seem to let you go  
'Cause once upon a time you were my everything  
It's clear to see that time hasn't changed a thing  
It's buried deep inside me but I feel there's something you should know I will never forget you  
You'll always be by my side  
From the day that I met you  
I knew that I would love you 'til the day I die  
And I will never want much more  
And in my heart I will always be sure  
I will never forget you  
And you will always be by my side 'til the day I die 'Til the day I die  
( 'til the day I die )  
'Til the day I die  
( 'til the day I die ) Funny how we both end up here but everything seems alright  
I wonder what will happen  
If we went back and put up a fight  
'Cause once upon a time you were my everything  
It's clear to see that time hasn't changed a thing  
So what in this world do you think  
could ever take you off my mind  
( take you off my mind )  
I will never forget you  
And you'll always be by my side  
From the day that I met you  
I knew that I would love you 'til the day I die  
And I will never want much more  
And in my heart I will always be sure  
I will never forget you  
And you'll always be by my side 'til the day I die  
Feeling it, loving it  
Everything that we do  
And all along, I knew I had something special with you  
But sometimes you just gotta know that these things fall through  
But I'm still tired and I can't hide my connection with you Feeling it, loving it  
Everything that we do  
And all along, I knew I had something special with you  
But sometimes you just gotta know that these things fall through

I can't hide my connection with you I will never forget you  
And you'll always be by my side  
From the day that I met you  
I knew that I would love you 'til the day I die  
And I will never want much more  
And in my heart I will always be sure  
That I will never forget you  
And you'll always be by my side 'til the day I die 'Til the day I die... 'Til the day I die...  
'Til the day I die...  
'Til the day I die... 'Til the day I die...  
'Til the day I die...  
'Til the day I die... I will never forget you... I will never, never, never, never  
never, never, never, never... I will never forget you... 'Til the day I die.
