Demons

For All Those Sleeping

Doesn't see
It's hard to believe myself
I don't want to knowCause it's not how you face
Darkened beyond my control
Finally
DifferentlyBut what if I'm not strong enough to be
The broken bastard that I am
And the hero that made meDo you believe we all have demons?
Do you believe we all have secrets?
Time can feel like fame
But even stars burn out someday
So do you see the stars?Patience for no oneTwenty years of hiding
At the cost of hiding my identity
I can't sleep
Without the blood on the my entire
I can't sleep
Right as the song this is killing me
I can't look onto my
It's like you know myself
If you ever really knew the real me
I tried to pay, but the pays about to break
Because the world's goneBut what if I'm not strong enough to be
The damaged gasoline I am from the hero that feedsDo you believe we all have demons?
Do you believe we all have secrets?
Time can feel like fame
But even stars burn out someday
So do you see the stars?There's a hole at the bottom only I can see
When my life once was what it used to be
And now the choir sings
There's a hole at the bottom time gazing me
With a dark mans rose and the light's waiting
And now the choir sings, "Come home to the fire"Break, break, break (come home to the fire)Do you believe we all have demons?
Do you believe we all have secrets?
Time can feel like fame
But even stars burn out someday
So do you see the stars?Patience for no one
