

Walk Away (feat. Chrissie Hynde)

Cheap Trick

You think that it's funny, you think I'm a fool
It's nothin' I needed, just somethin' to do
Out of touch out of time, it's not easy to find, well
These two hearts are broken before they start, so Walk away, walk away
I don't mind, I don't mind Don't act like you're worried, I'm feelin' no pain
You got what you needed, your fun little game
Stoned and confused, I know, it ain't easy to hold on
We've been hidin', pretendin', cheatin' and lyin' Walk away, walk away
I don't mind, I don't mind
Walk away, walk away
I don't mind, I don't mind Don't know what to thank, who to blame
We were lovers just the same, well
Startin', stoppin'
Over and over and over Walk away, walk away
I don't mind, I don't mind
Walk away, walk away
I don't mind, I don't mind Walk away, walk away
I don't mind, I don't mind
Walk away, walk away
I don't mind, I don't mind
Walk away, walk away
I don't mind, I don't mind
