Wave on Wave

Pat Green

Mile upon mile got no direction,
We're all playing the same game.
We're all looking for redemption,
Just afraid to say the name.So caught up now in pretending,
That what we're seekin' is the truth.
I'm just looking for a happy ending,
All I'm looking for is you.You came upon me wave on wave,
You're the reason I'm still here, yeah
Am I the one you were sent to save?
You came upon me wave on wave.I wondered out into the water,
And I thought that I might drown.
I dunno what I was after,
I just know I was going down.That's when she found me,
I'm not afraid anymore.
She said"You know I always had you baby,
Just waitin for you to find what you were looking for.You came upon me wave on wave,
You're the reason I'm still here.
Am I the one you were sent to save,
When you came upon me wave on wave.Wave on wave.
Wave on wave.And you came upon me wave on wave,
You're the reason I'm still here.
Am I the one you were sent to save,
When you came upon me wave on wave.
The clouds broke and the angels cried,
You ain't gotta walk alone,
That's why he put me in your way,
And you came upon me wave on wave.Rerpeat Corus Twice
