dicks are for my friends when they come to my house  
i said dicks are for my friends when they come to my house  
dicks are for my friends - they're for my friends  
they're for my friends  
dicks! friends!dicks are for my friends when they come to my house  
i said dicks are for my friends when they come to my house  
dicks are for my friends - they're for my friends
