Manipulator

Elephant Stone

Why would I know you if I never had to
Your kind of being doesn't understand
I can't tell what you're doing
You know you're nothing but a middlemanYour words are empty like the mind that spews them
Why don't you try to think for yourself
All the devils that sit on your shoulder
Are but the devils in your headManipulator
Wow oh wow oh come on
Nothing but a killer
Wow oh wow come onHow many lives have you taken for granted
How many people have your armies maimed
All the voices you try to silence
Are but the voices in your head
When did your hunger outweigh your reason
What does your mama think of you now
You were once her little baby
But now you're running with the killing crowdManipulator
Wow oh wow oh come on
Nothing but a killer
Wow oh wow come on(Guitar solo)Why would I know you if I never had to
Your kind of being doesn't understand
I can't tell what you're doing
You know you're nothing but a middlemanYour words are empty like the mind that spews them
Why don't you try to think for yourself
All the devils you try to silence
Are but the devils in your head
Manipulator
Wow oh wow oh come on
Nothing but a killer
Wow oh wow come on
