Rock! Rock! Till You Drop

Def Leppard

Hold onto your hat, hold onto your heart
Ready, get set to tear this place apart
Don't need a ticket, only place in town
That can take you up to heaven and never bring you down
Anything goes
Anything goes
Women to the left, women to the right
There to entertain and take you through the night
So grab a little heat and come along with me
'Cause your mama don't mind what your mama don't see
Anything goes
That's right
Come on
Anything goes
I said rock, rock, till you drop
Rock, rock never stop
Rock, rock, till you drop
I said rock, rock, to the top
Riding into danger, laughing all the way
Fast, free and easy, livin' for today
Gotta lip service, get it while you can
Hot, sweat and nervous love on demand
Anything goes
Anything goes
Oh my Lord I said rock, rock, till you drop
Come on, rock, rock never stop
You gotta rock, rock, till you drop
Oh rock, rock, to the top, oh yeah
[Incomprehensible]Rock, rock, give it to me
It's what I got, goin' through me
Don't ever stop well do it to me
Rock, rock, you really move me, oh yeah
Here we go
Rock, rock, till you drop
Oh rock, rock never stop
Come on, rock, rock, till you drop
We gotta rock until you drop
Gonna take me to the top
Rock, rock, till you drop

Rock, rock never stop
Come on, come on, come on
Hold on, hold on, hold tight
We're gonna rock tonight, too right
Too loud man, too loud
