

Fancy

Drake

Go, go 'head
Go, go, go 'head
Go, go, go, go, go, go 'head
Go, go, go, go, go, go 'head Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh? Nail done, hair done
Everything did
Nails done, hair done
Everything did Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh? Nail done, hair done
Everything did
Nails done, hair done
Everything did Oh, you fancy, huh? You getting ready so I know we gon' be here awhile
In the bathroom, flat irons and nail files
Spending hours in salons on your hairstyles
In the mall steady racking up the air miles Hit the gym, step on the scales stare at the number
You say you dropping 10 pounds, preparing for summer
And you don't do it for the man, men never notice
You just do it for yourself, you're the fucking coldest Intelligent too, ooh, you're my sweetheart
I've always liked my women book and street smart
Long as they got a little class like half days
And the confidence to overlook my past ways Time heals all and heels hurt to walk in
But they go with the clutch that you carry your lip-gloss in
And look, I really think that nobody does it better
I love the way that you put it together Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh? Nail done, hair done
Everything did
Nails done, hair done
Everything did Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh? Nail done, hair done
Everything did
Nails done, hair done

Everything did Oh, you fancy, huh? Well, aren't you a breath of fresh air?
 From all these superficial gold digging bitches in here
 They get a baller, think that they ain't got to pick a career
 Guess they plan on sucking dicks until some millions appear Like voila, you do it right, he just might buy you a
 car
 Unless you play these suckers just like B.O.B play the guitar
 Now here you are with your girls having drinks at the bar
 I say I'm buying, you decline, that is kinda bizarre Independent with the demeanor of an R 'n B singer
 Make it ring finger, M3 beamer
 Champagne Range, triple white Jag
 Closet full of brand new clothes and handbags Alexander McQueen, Prada, Gucci, Chanel
 D&G, BCBG, Versace, Louie and Bebe
 Ya ain't needy, greedy or easy as these other breezies
 Who fuck for bottles of Riesling or beaus that beg zeebee Oh, you fancy, huh?
 Oh, you fancy, huh?
 Oh, you fancy, huh?
 Oh, you fancy, huh? Nail done, hair done
 Everything did
 Nails done, hair done
 Everything did Oh, you fancy, huh?
 Oh, you fancy, huh?
 Oh, you fancy, huh?
 Oh, you fancy, huh? Nail done, hair done
 Everything did
 Nails done, hair done
 Everything did Oh, you fancy, huh? Atlanta girls, let me see your hands
 Wave 'em at them bitches hating on you with their friends
 Girl, you got it, let 'em know everything big
 Nails done, hair done, everything big And my NY girls, let me see your hands
 Wave 'em at them bitches hating on you with their friends
 Girl, you got it, let 'em know everything big
 Nails done, hair done, everything big And my L.A. girls, let me see your hands
 Wave 'em at them bitches hating on you with their friends
 Girl, you got it, let 'em know everything big
 Nails done, hair done, everything big And my TO girls, let me see your hands
 Wave 'em at them bitches hating on you with their friends
 Girl, you got it, let 'em know everything big
 Nails done, hair done, nails done, hairs done Say go Cinderella, go Cinderella
 Orgasm blush, lipstick and concealer
 Devil in a tight dress, girl, you a killer
 And ain't nobody realer and ain't nobody realer Go, go, go, go, go
 Go, go, go, go, go
 (Showtime)
 As we proceed 5 and a half in boys, ass is off the hook
 Cinderella 'bout to lose the glass off her foot

And when I find it, is when I find you
And we can do the things we never got the time to
Better late than never, but never late is better
They tell me time is money, well, we'll spend it together
I'm down for whatever, you just lead the way
We go to dinner, you all don't even look at me to pay
Mature women with more than me were the first to tempt
me
And Jason had this girl Tammy with a purple Bentley
How she got it, I ain't never get to ask
I just knew that she was fine like a ticket on the dash
Yeah, but shout out to the homeowners
The girls that got diplomas and enough money to loan us
A little something extra, should we ever need it
If it sounds like you, then let me hear you repeat it
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh? Nail done, hair done
Everything did
Nails done, hair done
Everything did Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh? Nail done, hair done
Everything did
Nails done, hair done
Everything did Oh, you fancy, huh?
