

Wendy

Descendents

Wendy, Wendy what went wrong
Oh, so wrong
We went together for so longI never thought a guy could cry
'Til you made it with another guy
Oh Wendy, Wendy left me alone
Hurt so badWendy, Wendy don't lose your head
Lose your head
Wendy don't believe a word he saysI can't picture you with him
His future looks awful dim
Oh Wendy, Wendy left me alone
Hurt so badWendy I wouldn't hurt you like that
No, no, no
I thought we had our love down pat
Guess I was wrongThe farthest thing from my mind
Was the day that I'd wake up to find
My Wendy
Wendy left me aloneWendy, Wendy left me alone
Hurts so bad
Wendy, Wendy left me alone
Hurts so badWendy, Wendy left me alone
Hurts so bad
Wendy, Wendy
