Pretty When You Cry

Lana Del Rey

All the pretty stars shine for you, my love
Am I the girl that you dream of?
All those little times you said that I'm your girl
You make me feel like your whole worldI'll wait for you, babe, that's all I do, babe
Don't come through, babe, you never do
Because I'm pretty when I cry
I'm pretty when I cryÂ
I'm pretty when I cry
I'm pretty when I cryAll those special times I spent with you, my love
They don't mean shit compared to all your drugs
But I don't really mind, I've got my drugs and that
Like my memories, I don't need thatI'll wait for you, babe, you don't come through, babe
You never do, babe, that's just what you do
Because I'm pretty when I cry
I'm pretty when I cry
I'm pretty when I cry
I'm pretty when I cryDon't say you need me when
You're leaving, you leave again
I'm stronger than all my men
Except for you
Don't say you need me then
You leave last, you're leaving
I can't do it, I can't do it
But you do it bestI'm pretty when I cry,Â I'm pretty when I cry
I'm pretty when I cry,Â I'm pretty when I cry
I'm pretty when I cry, I'm pretty when I cry
I'm pretty when I cryÂ
I'm pretty when I cry
