

# Angel

Claire Tchaikowski

I am your shadow  
I am your rain  
I am your longing  
A little of your pain

I am red  
I am blue  
I am your Angel  
I am in you

Angel

I am your madness  
I am your tears  
I'm your sadness  
I am your fears

And I am restless and I  
I am your dreams  
And all the moments in between

Angel
