Pretty Women

Brian Stokes Mitchell

Pretty women fascinating
Sipping coffee, dancing pretty women
Pretty women are a wonder
Pretty womenSitting in the window or
Standing on the stair
Something in them cheers the airPretty women silhouetted
Stay within you, glancing stay forever
Breathing lightly pretty women
Pretty womenBlowing out their candles or combing out their hair
Even when they leave they still are there
They're thereAh, pretty women, at their mirrors, in their gardens
Letter-writing, flower picking
Weather watching how they make a man singProof of heaven as you're living, pretty women
Yes, pretty women
Here's to pretty women, pretty women
Pretty women, pretty women
