

Remember Me

G4

the moonlight dances among the trees
the campfire glows in the autumn breeze
and i am lost in my thoughts of you
remember me,recuerdame
my comrade strums on a sad guitar
my mind is drifting to where you are
im holding you like i used to do
remember me,recuerdame, mi amor!
so long ago,so far away each night i pray
"volvren los dias pasados"
i promise you that come what may
those days will stay ever in my memory
in all this world i could never find the love that i had to leave behind
but duty calls,so whate'er befalls
remember me, recuerdame, mi amor!
God only knows what tomorrow brings
you're in my heart so my spirit sings
and i'll be strong just as long as you remember me
recuerdame, mi amor!
