I do love you, yes, I do now  
I do love you, yes, I do now  
I do love you, yes, I do now Oh, I love a you so a right now  
Now a my, my, baby yeah, yeah, yeah  
Little darlin' I said, I love a you so a right now  
Never, never gonna let, gonna let, gonna let you go, no, no, no Pretty little baby said, I want you to try  
To understand a that I, that I, that I  
I want to be your lover man  
Aw baby, love a me so a  
I don't want you to go, no, no, no, no Why don't you decide to be  
I'll take you all of my dreams now  
Oh, I love you, I pray for your love  
Woulda come to me a someday Because I love you so bad now  
It's about to drive a me  
Mad girl, I said I do  
Love you, I do love you
