

Show Me the Way

Dinosaur Jr.

I wonder how youre feeling
Theres ringing in my ear
And no one to relate to except the sea
Who can I believe in?Im kneeling on the floor
There has to be a force, who do I phone?
The stars are out and shining
But all I really want to knowOh wont you show me the way?
I want you show me the wayWell, I can see no reason, youre living on your nerves
When someone drops a cup and I submerge
Im swimming in a circle I feel Im going down
There has to be a fool to play my partSomeone thought of healing
But all I really want to knowOh, wont you show me the way?
I want you show me the way
I want you show me the way
I want you day after dayI wonder if Im dreaming, I feel so unashamed
I cant believe this is happening to me
I watch you when youre sleeping
And I wanna slap your faceOh, wont you show me the way?
I want you show me the way
I want you show me the way
I want you day after day
