All At Sea

Biplane On Wire

I'm all at sea
Where no one can bother me
Forgot my roots
If only for a day
Just me and my thoughts
Sailing far away
Like a warm drink it seeps into my soul
Please just leave me right here on my own
Later on you could spend some time with me
If you want to, all at sea
I'm all at sea
Where no one can bother me
I sleep by myself
I drink on my own
I don't speak to nobody
I gave away my phone
Like a warm drink it seeps into my soul
Please just leave me right here on my own

Later on you could spend some time with me
If you want to, all at sea
Now I need you more than ever
I need you more than ever now
If you don't need it every day
But sometimes don't you just crave
To disappear within your mind
You never know what you might find
So come and spend some time with me
And we will spend it all at sea
Like a warm drink it seeps into my soul
Please just leave me right here on my own
Later on you could spend some time with me
If you want to, all at sea
Ooh, if you want to, all at sea
If you want to
