

# Twilight Zone (When the Bullet Hits the Bone)

## Golden Earring

Somewhere in a lonely hotel room  
There's a guy starting to realize that eternal  
Fate has turned its back on him.  
It's two a.m. It's two a.m.  
The fear has gone  
I'm sitting her waitin'  
The gun's still warm  
Maybe my connection is tired of taking chances  
Yeah there's a storm on the loose  
Sirens in my head  
Wrapped up in silence  
All circuits are dead  
Cannot decode my whole life spins into a frenzy [Chorus]  
Help I'm steppin' into the twilight zone  
The place is a madhouse  
Feels like being cloned  
My beacon's been moved  
Under moon and star  
Where am I to go  
Now that I've gone too far [Repeat]  
Soon you will come to know  
When the bullet hits the bone  
Soon you will come to know  
When the bullet hits the bone I'm falling down a spiral  
Destination unknown  
Double crossed messenger, all alone  
Can't get no connection  
Can't get through where are you Well the night weighs heavy  
On his guilty mind  
This far from the borderline  
When the hit-man comes  
He knows damn well  
He has been cheated  
And he says [Chorus]
