

# Message From Hell (Remix)

## Latent Anxiety

Verse A:

Dorian, hedonistic wannabe.

Well known in society.

For his bold impiety. Verse B:

Murderer, anarchistic vicious lie.

Always with an alibi.

He's the one to damnify. Verse C:

Beautiful, narcissistic evil son.

Destined to the painted one.

Wants to be forever young. Chorus:

Message from hell.

And he's ringing the bell.

Message from hell.

And his good soul to sell.
