Miss Misery

Nazareth

Since you came into my life
ItÂ’s the same old situation
Empty days and lonely nights
Filled with bitterness and frustration.

Walking lonely in the cold
TryinÂ’ to find the answer
Spend my money on a crystal ball
And the charms of a gypsy dancer.
TryinÂ’ to break the spell you hold on me

Chorus:

YouÂ’re miss misery
That song you lay on me
Set me free, set me free
Please, please, please

Everyday is filled with shame
My nights are filled with anger
Hollow lies, forced denial
If you told the truth I canÂ’t remember.

You know IÂ’ve got to find my way
Got to find a reason
Got to find your weakness
So I can end your witchinÂ’ season.
Got to break the spell you hold on me

Chorus:

Lead:

CanÂ’t think how I got myself
Caught up in this nightmare
Evil schemes, midnight screams
Come on somebody listen to my prayer

IÂ’d give all IÂ’ve got to give
Just to find my way out

Got it going but I canÂ't let go
IÂ'm trapped on this crazy Â'round about
TryinÂ' to break the spell you hold on me

Chorus:
