

Not Given Lightly (2014 Remaster)

Frente!

Hello my friend
It's morning, time to wake now
In body, in mind
Entwined will have to break now
But I need your flesh
Your warmth to stay beside me
Oh how I wish
You could be deep inside me
Show me your eyes
Your low most tender feeling
And I'll give you mine
Be truthful and revealing And it's you that I love
And it's true that I love
And it's love not given lightly
But I knew that it's love
And it's you that I love
And it's more than what it might be When we're alone
I cannot always face you
Maybe my mood
Won't let these arms embrace you
But that doesn't mean
My love's somehow diminished
Give me the time
To show our love's unfinished And it's you that I love
And it's true that I love
And it's love not given lightly
But I know that it's love
And it's you that I love
And it's more than what it might be And every word I say is true What can I say?
The words destroy all meaning
There's only cliches
To get across this feeling This is a love song
For John and (?)'s mother
This isn't easy
I might not write another And it's you that I love
And it's true that I love
And it's love not given lightly
But I knew that it's love
And it's you that I love

And it's more than what it might be
