

My Life (Grant Nelson Neo Funk Mix)

Chanel

Got me hurting cause I'm wanting you

And you're leaving me

Said you need more space

If it makes your life much easier

Your love I'll share

Just tell me that you'll stayCause you can't go, not just yet

Want you close, by my side

When love's this good, it's hard to find

Know that I love you, and you're always inMy life, my life, and I want you inIt's not like me to be this way

But my love for you has got me so confused

And it's not the things you do for me

How you make me feel

Keeps me wanting youYou can't go, not just yet

Want you close, by my side

When love's this good, it's hard to find

Know that I love you, and you're always inMy life, my life, and I want you inI just wanna let you know that I'll

be here for you

To make sure that you're happy, my happiness is you

I just wanna let you know that I'll be here for you

I just wanna hold on to the love I foundYou can't go, not just yet

Want you close, by my sideMy life, my life, and I want you in
