

# The Real Thing (The Joy Brothers Remake)

## 2 Unlimited

It's the real thing that makes your body swing  
Open your ears for the techno rap sing  
Back on the track, no my name ain't Jack  
You try to criticize, so now step back  
I traveled the world all round and round  
Make a lot of heads go upside down  
If it ain't rough, no, it ain't no thing  
Just Let yourself go cause you're rolling with the real thing  
Searchin' for the real thing  
Do this! Do this! Come on, come on. Do this! Do this!  
We're going for the real thing  
Go! Go! Let yourself go, let yourself go!  
Go! Go! Let yourself go, let yourself go!  
No more waiting, anticipating  
We're searching for the real thing  
No more waiting, anticipating  
We're going for the real thing  
I select the thoughts and need from people's minds  
Combine it with my own style, I ain't blind  
One of a kind make sure I'll find  
A way to gain and win cause it's the real thing  
The music flows, I lay these rhymes  
Time for some action, cause it's about time  
Pay close attention, are you out, are you in?  
'Cause if you roll, you're rolling with the real thing  
And we're not gonna stop  
Until we reach the highest top  
We don't need, to stop  
We'll keep on searchin' till we drop
