

# Fight Back

## Discharge

This desire results from people's anger  
Towards the system  
Fight the system fight back  
Fight the system fight back  
People die in police custody  
Why dont you go see if God can see them  
Fight the system fight back  
Fight the system fight back  
We been shit on far too long  
London wants is no freedom  
Fight the system fight back  
Fight the system fight back  
Stand up fight for freedom  
Stand up fight for your rights  
Fight the system fight back  
Fight the system fight back  
Fight the system fight back
