

You Pulled Me Through

Andrea Faustini

I was in the darkness
I was out in the cold
Seemed nothing could heal this
This hole in my soul You reached out your arms to me
Held out your heart to me
Pulled me back from the edge
Thought I'd reached the end When I was drowning
When I was so confused
You, you,
You pulled me through
I was in the shadows
Lost with nothing left to lose
You, you,
You pulled me through You gave my faith back
When faith was so hard to find
You gave me my life back
You were my life line The love that you gave me
Is the love that has saved me
Your strength is what made me strong
You had me and I had us When I was drowning
When I was so confused
You, yes you,
You pulled me through
I was in the shadows
Lost with nothing left to lose
You, you,
You pulled me through Out of the dark
Into your arms
Into the light
Your love saved my life When I was drowning
When I was so confused
You, you,
You pulled me through
When I was drowning
When I was so confused
You, you,
You pulled me through I was in the shadows
Lost with nothing left to lose
You, you,

You pulled me through
You pulled me through
You pulled me through
